

VICTORY YOUTH

STUDENT LEADER MANUAL

WELCOME!!

At Victory Youth we are passionate for your development as a student leader. We believe in your heart to be part of Victory Youth and serving is the thing that helps you move towards reaching your maximum potential!

We truly believe you are not just another person in the crowd, but part of this family. That means our Staff is committed to being here for you. Our office doors are always open if you need a meeting, encouragement, mentorship, or just some fam time!

We are believing that

**THE BEST
IS YET TO
COME!!!**

not just for Victory Youth, but also for your personal leadership! Let's commit to changing the world like never before!

- Pastor Joshua Kham

LOVE GOD LOVE PEOPLE

These two declarations could not be more linked. We at Victory Church believe you can not properly **Love God** without **Loving People**. Adversely, Loving People must flow from a deep Love of God.

BUT WHY LOVE YOUTH?

There are countless ministries you could choose to grow with, most that have less commitment, time and effort than Victory Youth. But we feel that our effort is worth it because...

YOU ARE WORTH IT!

We have the opportunity of seeing you become a leader of influence to your generation, friend, school, and yourself. All while discovering **WHO YOU ARE**

and **WHOSE YOU ARE**

We know you may have many questions on faith and we want to help you learn who God is and how to live with faith.

It is vital for you as a student leader to fully grasp and commit to what you are about to start on this journey. Understand that your potential is merely a part of your life that the presence of God has yet to touch. Lean on Him as you commit to Victory Youth.

YOUTH NIGHTS

This is the backbone of Victory Youth.
It is a night to showcase every facet of our value system and follow where scripture says “do not forsake the gathering together of the saints as some people have done.”
We believe in gathering, but only when it drives our

WHY.

THE WKND

Victory Youth **LOVES** the weekend.
We want you to be a part of this family not just by attending each week, but also getting to serve one weekend each month. We are not just tied to Victory Church;

WE ARE VICTORY CHURCH

and our commitment is reflected by our heart to be part of the house.

PRAYER

The Bible tells us that “where two or three are gathered together in my name, there I am in the midst of them”. We believe that, so we DO it! At 6:00 PM,

we host a pre-service prayer time for all of us to come together and pray for God’s will to be done during the night. We ask that you join us for prayer and take time to prepare yourself for the night and expect God to show up!

PRE- PARTY

We believe that one of the best ways to do Youth Ministry is

YOUTH DOING MINISTRY

Before the worship starts, we always want to set the an exciting and welcoming environment for any students who join us on any given Youth Night. This means that you get to be a part of our serving teams to get other students engaged and involved with what God is doing!

HEART & SOUL

Heart and Soul will always take place on the ***last Tuesday of every month***. Count on it and add it to your calendar now!

This is not just a time to gather, but for us to grow as a family and develop personally. Victory Youth wants to ensure that you don't sign up for this role and only give without receiving. Our heart is to create opportunities for your personal growth and development as you pursue the calling God has placed on your life. Heart and Soul will be vital for you to stay informed, be equipped, and charged up to lead at Victory Youth. It is also a promise for you to be refreshed while you refresh others.

HOW

GETTING CONNECTED

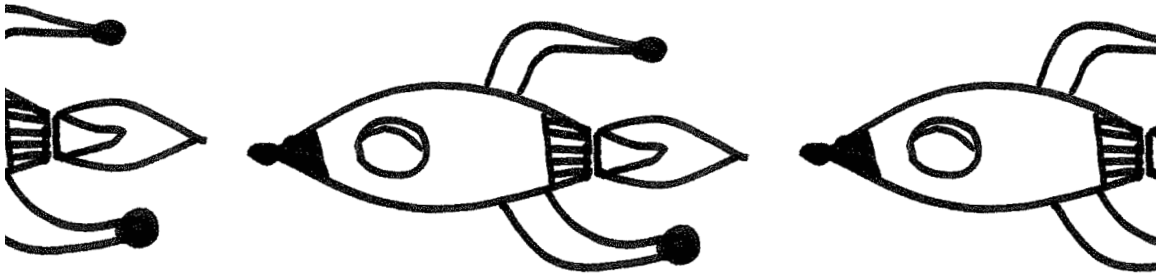

HOW DO I CONNECT WITH OTHERS?

Don't be overwhelmed by the masses, but let God draw your heart to three friends to begin with. Yes, you may end up with twelve but start with three.

FIND YOUR 3: { PETER
JAMES
JOHN

Connect Youth to Jesus:

This may seem like a no brainer, but to connect our friends to Jesus you must be growing in your own faith. We all need to be able to declare what Paul wrote so beautifully,

"FOLLOW ME AS I FOLLOW CHRIST."

If you are leading others, that means you are serving them. You can never lead a friend someplace you are not willing to go yourself. This means that as you help others grow in their faith, you are teaching each other to serve one another and in turn, raising one another up. The best growth happens when you are connected to a healthy body that is there for you and to pour into you, which brings us to...

Connect Youth to the Fam:

Declaring that we are not a crowd, but a family is not just a cute statement, it is a culture we create. Just because a group has the title "family" does not determine that it is a healthy one. That takes intentionality and that is where you come in! You are a personal culture carrier! Build a family into your leader role, relationships, and leadership by loving one another. We don't create cliques, we create community!

Don't forget that VY Leaders and the Staff are here for you to grow and help lead you into your best self! We have many leaders who want to be part of your life, but they want to know if you want to grow. Let's do life together, not just socializing, but learning about each other so we can grow into who God has called us to be and impact the world!
